

Critical Dates for the Staff and Student access to South Tahoe High School August 11, 2009

Currently South Tahoe High School Campus is Closed to the Public.

No Public access is allowed inside the construction area.

August: The tennis courts and upper softball fields are available to previously scheduled and approved organizations. Some open tennis courts are provided. Available parking is not guaranteed.

August 13: STHS Football practice at @ 4:30-6:00 PM, upper fields. No general public access to campus. Students and staff are to park in the lower student parking lot. Coach supervised/monitored athlete access to the gym locker rooms will be available. Students must be orderly and controlled, or access to the locker rooms will be suspended.

August 19: Office staff will be available at the Mt. Tallac offices for scheduled appointments. Access to Mt. Tallac is available only through 13th Street.

August 17: STHS Football practice-double sessions will be held at @ 9:30 and 3:30 PM. No general public access to campus. Main football field and upper fields will be available. Student athletes are to park in the Mt. Tallac parking lot and access the upper fields behind Court Side portables. Coach supervised/monitored athlete access to the gym locker rooms will be available. Students must be orderly and controlled, or access to the locker rooms will be suspended.

August 24: Counselors will be available at the Mt. Tallac campus for scheduled appointments. Access to Mt. Tallac is available only through 13th Street.

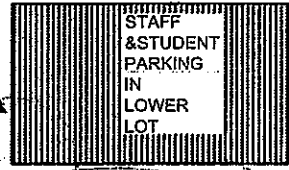

August 27: Campus is available to STHS teaching staff, parking limited to the new staff parking lot on the softball field area access road and possible the new cafeteria parking lot, access limited to confined pedestrian areas.

August 31: Campus to be available to public on a limited basis. It is anticipated that the front entry will be available for pedestrian access to the administration office. Approximately 15 visitor and HC parking spaces will be available. Access to the new roundabout will not be available.

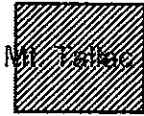

September 8: Start of the 2009-10 school year. Construction zones to be fully enclosed with fencing and gates, with complete separation of construction activities and school activities. Front entrance roundabout, fire access lane, cafeteria parking, and lower student lot to be available to staff, students and public during the normal school day.
